

Energy Technology Innovation Partnership Project (ETIPP) Stakeholder Support Form

ETIPP Applicants: Please arrange for **at least two external stakeholder support organizations** to submit this Stakeholder Support Form on behalf of your ETIPP submission. Ideally, these supporters should play a role in decision-making for the proposed project. Stakeholders could include community organizations, government leaders, and many more. Additionally, **you are required to connect with your servicing power utility to collect a letter of support** that acknowledges the need for intermittent participation in meetings and/or the need to solicit data to inform project analysis.* Please email letters of support to ETIPP@nlr.gov by 11:59 p.m. MT on Wednesday Nov. 18, 2026.

**If you experience challenges with securing a letter of support from your servicing utility and/or if you expect to need data from another entity, please contact your Regional Partner, who will coordinate with ETIPP management to find a path forward for your project.*

Stakeholders: Please provide the Energy Technology Innovation Partnership Project (ETIPP) team with information about how your organization will engage with and benefit from the applicant's ETIPP project if selected. You must email this form to ETIPP@nlr.gov by 11:59 p.m. MT on Wednesday Nov. 18, 2026.

Data and Privacy Notice: The data collected will be used to select communities for ETIPP technical assistance. Data collected will be retained indefinitely by the National Laboratory of the Rockies (NLR), the U.S. Department of Energy, and its other national labs. For more information, see NLR's security and privacy notices at www.nlr.gov/security.html.
